The Cost Engine available via this application is intended to provide an estimate of the amount of money needed to replace a structure using new materials of similar type and quality, without taking into account depreciation, based on information you provide. Actual replacement costs may vary.

The cost of building materials and construction and other services can vary, depending on availability, geographic area and other factors. e2Value®, Inc. does not represent or warrant the accuracy of the Cost Engine, or the results obtained therefrom. The Cost Engine is intended to be used as a tool to aid the user in planning structure insurance needs.
